Personal Security

Geneva can be regarded as a safe city with a low rate of violent crime. However, pickpocketing and purse or cell-phone snatching do occur in the vicinity of train and bus stations, airports, and in some public parks. Do not leave anything on car seats. Doing so attracts the attention of thieves. Never leave bags containing money, airline tickets, credit cards or passports in a parked car. Thefts frequently occur as a result of that.

Emergency numbers are:

- Police 117
- Ambulance 144
- Fire 118
- Roadside assistance 140

Weather

The weather in December is relatively mild in Geneva, with average temperatures varying from 0° to 10°C (32 to 50° F). Generally it is not very sunny and sometimes, when a cold dry north wind known as the “bise” blows, the temperature may drop down to -10° (14°F).
