

WORLD AIDS DAY 2013

Joint Statement by UNAIDS International Goodwill Ambassadors

“Today on World AIDS Day we are joining hands and sharing our dreams:

We dream of a world with zero new HIV infections, Zero discrimination, Zero AIDS-related deaths...

We have come a long way, but there are still many barriers to overcome.

Stigma and discrimination still prevent us from reaching people most in need of HIV services.

Everyone has a right to live a full and productive life with dignity.

Join us in calling for global transformation for zero discrimination.

Open up and reach out for change.

Support the work of UNAIDS”
